2008 EP

Hooray for Everything
Full Length Album

NUGGET

This talented trio from the triad has been selling out show's and pleasing crowd's since early '07. Their comedic approach to lyrical genius keeps 'em coming back for more! Releasing a short run EP in Jan '08 only fueled the hunger for more of their Blink-esq sound in their fans. Having taken home the gold in a series of battles ignited the burning desire to bring their music to the masses. A summer tour would soon follow taking the band up and down the east coast earning them their wings and proving their chops! NUGGET had played concert halls, clubs, bars and coffee shops in NC, VA, WV, OH, NJ and MD and with their new album 'Hooray For Everything' are ready to do it all over again!!!
